FOOD AND DRINK

A, B, C - Easy as one, two, three ...

At York Racecourse we like to make things as simple as possible, and so we have created food and drink options which you can mix and match to build your own menus You might choose an A, B, C or perhaps an A, A, B... Whatever the selection, you can be sure we will serve it well.

DRINKS

A cash bar is available until 00.30hrs, and you are also welcome to host an account bar should you wish.

We have three **drinks** packages - **A, B** or **C** - for you to choose from, offering a sparkling welcome drink, wine and toast.

Whilst our wines are clearly not produced locally, we continue our long-standing relationship with Hull wine merchant House of Townend, working to select a unique wine list that we believe is both interesting and good value. If you have a particular wine that means something to you, do ask our team if we can provide this and we can adapt your package accordingly.

FOOD

Our wedding breakfast menus A, B or C, also offer a wide choice of dishes across three priced options, with canapes and cheese platters to enhance. And for all those cheese lovers out there, we also can obtain an artisanal "cheese" wedding cake in either a 4, 5 or 6 tier, from our trusted suppliers Cryer and Stott- Based in Allerton Bywater, Castleford, a small local business who have created multiple award-winning cheeses and some bespoke cheeses for the Royal Family (price on request). Then simply choose from our three crowd-pleasing **evening** offers – you guessed it - **A, B or C**.

ENTERTAINMENT AND THEMING | SOUND AND VISION

We all have our dance floor favourites, and all our newlywed couples are very welcome to bring along their own DJ or band. We have close links with local entertainers and would be happy to put you in touch. or we would be pleased to get a disco quote on your behalf. We provide a dance floor as standard.

Many of our brides and grooms choose to add some personalised elements to the day whether chair covers, light up letters, balloons, flower trees, sweet carts. Please talk through this with our wedding coordinator to help plan any additional space required in the room and arrange suitable access times for your suppliers.
